ABOUT ME

I'm a first-year BUT MMI student with a passion for new technologies and the world of multimedia. With strong creativity and enthusiasm, I'm constantly up to date with the latest trends to contribute to innovative digital experiences. I have skills in web design, digital communication and graphic design, and I'm keen to deepen my knowledge in these domains.

EXPERIENCE

12/03/2022	**NUIT DE L'INFO** *Université Gustave Eiffel - Meaux* Participants have one night to propose, implement and package a Web 2.0 application.
July 2021|2022	**VINE TRELLISING** Trellising consists of positioning the vines upwards, holding them between two pairs of wire to facilitate cutting.
